The problems can be found on Apex Calculus V3 vol 3. (Make sure you use V3 and not the new V4).

The HW consists of 8 problems.

- Section 13.1 problems 8,14 and 22.
- Section 13.2 problems 6,10 and 24.
- Section 13.3 problems 6 and 10.

The solutions are due on paper on Friday 15 at the beginning of the lecture. Make sure you write your name and student number in the assignment.

If for any reason you cannot hand in your assignment on the due date, either hand it before, or send a high quality, readable and low weight [$< 1\text{Mb}$] scan to my e-mail **before** the due date.

Good luck!
